§ 258.1 Purpose.

The purpose of this part is to ensure that consumers are adequately informed before they book air transportation or embark on travel involving change-of-gauge services that these services require a change of aircraft en route.

§ 258.2 Applicability.

This part applies to the following:

(c) *Written notice.* At the time of sale in the United States of transportation that includes a change-of-gauge service to, from, or within the United States, or, if no ticket is issued, no later than the time when the passenger checks in at the airport for the first flight in an itinerary that includes such a service, the selling carrier or ticket agent shall provide the following written notice:

NOTICE: CHANGE OF AIRCRAFT REQUIRED

For at least one of your flights, you must change aircraft en route even though your ticket may show only one flight number and have only one flight coupon for that flight.
